A school bus arrives outside of an inviting two-story home. The doors open. LUKE (13) scrambles off the bus. He has a Star Wars backpack and wears a Star Wars shirt.

Luke timidly peeks back at a BULLY (13) who sits towards the back. The bully is dressed in all black, like Vader. He glares at Luke. His heavy breathing fogs the window.

BULLY

Luke rolls his eyes. He darts into his house.

It was okay.

He scampers upstairs. Excited to be free from school.

Luke's bedroom is decked out with all types of Star Wars merchandise. Luke leaps off of his bed, holding a toy lightsaber and wearing a Jedi robe. He swings the saber.

THUMP! THUMP! THUMP!

The room shakes. It's like an earthquake.

Curious, Luke retracts the lightsaber. He inches towards his window. Before he reaches it --

A gigantic AT-AT walks into view outside. The armored transport swivels its head to peer into Luke's bedroom.

Luke's bedroom door bursts open. He spins around.

CAL KESTIS (20s) charges in. He resembles a real version of himself from the video game series, 'Star Wars Jedi.'
